Come join the Shelby American Automobile Club - Motor City Region / Team Shelby - Motor City Chapter to celebrate the 60th anniversary of the Mustang's introduction. Per Motor City tradition, we will start out by meeting up at Ford World Headquarters. We will then make a visit to Mike Berardi's fantastic Mustang collection, which is now reported to be 77 vehicles! We will then cruise up to Serra Ford in Farmington Hills. We'll finish with a cruise over to Ford's Garage in Novi for a fantastic lunch!

To attend, you **MUST RSVP** to Rich Tweedle at mustangdreamer@comcast.net to provide info to each venue for ample space, with the number of cars & people in your personal group, by April 6th . For Ford's Garage, you must separately reserve your table for your size group directly to Ford's Garage per past events once they release groups of tables, sizes, & seating times.
