

ShelbyFest

Start Date: 5/2/2024

End Date: 5/4/2024

Our event is the ultimate opportunity to wave the blue oval flag and show your support for the strongest automotive brand in history.

A trip to see us includes one of the ultimate show and shine events nestled in the incredible city streets of downtown Jefferson City Missouri, which was voted Most Beautiful Small Town in America in 2015 by Rand McNally. Preceding our Saturday show and shine, F.E.N. and Shelbyfest activities include scenic country cruises, welcome reception which includes live music, autocross, and track experience.
